La Colina Rd. Vegetation Fire

SANTA BARBARA, CA – November 6, 2012

November 5, at approximately 11 a.m., 3 Santa Barbara City Fire Department engine companies and a Battalion Chief were dispatched to a reported vegetation fire after multiple 911 callers had reported seeing smoke near the Bishop Diego High School campus. First arriving fire crews quickly knocked down the vegetation fire which had begun adjacent to the high school parking lot. The flames were significant enough to damage four parked cars, causing extensive damage to one of those vehicles. Santa Barbara City Fire investigators were called in to assist with determining the cause of the fire. It was quickly determined that this fire was deliberately set. Fire investigators are asking anyone with information to please contact the Santa Barbara City Fire Department at 965-5254.
